

## OUR PHILOSOPHY:

We have dogs of our own and know how difficult it is to leave them with someone else. Your dog's comfort and happiness are our top priorities. We will provide your dog with a secure and caring environment, with plenty of supervised play and opportunities to interact with us and with other dogs that we deem to be compatible.

We are a small facility, licensed to board a maximum of ten dogs. Your dog will receive the care and attention he or she needs and deserves.

## WHAT WE REQUIRE:

Proof of current vaccinations: DHLPP, Bordetella and Rabies. (Corona vaccination recommended for dogs under one year.)

## OUR PRICES:

- \$23.00 plus tax for one dog per night
- \$35.00 plus tax for two dogs from the same household per night
- Premium dog food selection available for additional fee

*Cash or Checks Gratefully Accepted*
